The **IMMUNE Building Standard™** may not be considered as a legal document engaging in any way whatsoever the liability of **IMMUNE™**. Under no circumstances shall any party involved in the design, elaboration or creation of **IMMUNE Building Standard™** or their representatives meaning directors, corporate officers, executive managers, employees, agents and counsels (including financial, legal and tax advisors and auditors) or their affiliates, partners, suppliers and/or collaborators be liable towards the user or any third party for any losses, injuries or damages arising out of or in connection with the user's access or use of or inability to access or use the information contained in the **IMMUNE Building Standard™**. The information included in the **IMMUNE Building Standard™** and **IMMUNE™ Assessment Scoring Index** was elaborated with due care and in good faith, however, **IMMUNE™** assumes no responsibility or liability for any errors or omissions in the information or for the results obtained from the use of the information which is hereby provided with no guarantee of completeness, accuracy, reliability or timeliness or of the results obtained from the use of the information and without any warranties of any kind whatsoever, express or implied, including, but not limited to warranties of performance, merchantability and fitness for a particular purpose. Furthermore, the user or any third parties are solely and exclusively responsible for any inappropriate or abusive use of the **IMMUNE™** certificate. **IMMUNE™** does not guarantee by certification the ongoing observance by the user or any third parties of the recommended measures, technical solutions and facility management practices contained in the **IMMUNE™ Assessment Scoring Index** and does not guarantee the obtaining of any authorizations, approvals, agreements or permits from any regulatory authorities or other third parties. The **IMMUNE Building Standard™** was developed with the precise purpose of instructing, educating, assisting, supporting and preparing facility management teams of the users in their endeavors to ensure the healthiness of their spaces, offices, buildings and establishments in order to efficiently protect building occupants and visitors in the present and future, providing valuable information to this end, however, the user should be aware that the information contained in the **IMMUNE Building Standard™** may not entirely reflect official positions of the relevant authorities and the provided information does not constitute a valid replacement of expert advice on particular matters including, but not limited to legal compliance, quality control, urban planning, health, safety or risk assessment. Observing the **IMMUNE Building Standard™** does not guarantee in any form the health or improvement in the health of the individuals in spaces, offices, buildings and establishments or the lack of viruses, parasites, pathogens, bacteria, allergens or any other hazard causing agents in such spaces, offices, buildings and establishments. By using the information contained in the **IMMUNE Building Standard™**, the user expressly consents to release, waive, discharge any party involved in the design, elaboration and creation of **IMMUNE Building Standard™** or their representatives meaning directors, corporate officers, executive managers, employees, agents and counsels (including financial, legal and tax advisors and auditors) or their affiliates, partners, suppliers and/or collaborators from all liability, claims, demands, petitions, actions or causes of action whatsoever arising out of any damages, loss, or injury that the user may now or in the future have a right to formulate as a consequence of using or relying on the **IMMUNE Building Standard™** and further covenants and agrees that for the consideration stated herein the user will not sue any of the aforementioned entities and/or individuals.
